Dedicated

You inspire us with your enthusiasm, share your thinking with us, and join us in laughing at your "Chinar" and your "Cubar". You encourage us to enjoy our research and writing. You urge us to work to the limit of our ability, but you know we are busy. In class and in Student Council you stimulate us to think and to make our own decisions. You trust us, you praise us, you challenge us to set our goals ever higher.

In gratitude, Mr. Shea, we dedicate to you our Crossroads 1965.

## SENIORS

Class officers and advisors, I. to ric Mr. Anderson (advisor). Art Newkirk (Treasurer), Joan Thompson (President), Steve Karp (Vice-President), Mr. Loggins (advisor), and Judy Fox (Secretary)

MR. ANDERSON (Class Advisor)

The class of '65 thanks Mr. Anderson for his support of our class activities and his willingness to help us with all of our projects. We also appreciate the assistance Mr. Loggins has given us in our senior year. We hope that their efforts to guide our class will be reflected in our future achievements

#### Seniors

Blue senior ID cards now replace Schultz and Dooly buttons as status symbols. Despite our lofty position, we seniors catered to the underclassmen at the Senior Night Club. We are the class that introduced the "Greaseballs" to NHS. In our junior year we livened up an evening with our gingham and denim dance. The year before we held a gay and definitely different class party. Three years ago we were frightened freshmen, and next year . . . well, what goes up must come down. (We'll be freshmen again.)

#### Sezin . . .

My dear friends at Niskayuna,

I am very happy to have an opportunity to say thank you very much for being such wonderful friends to me. I will never forget all of the great times that you made possible for me

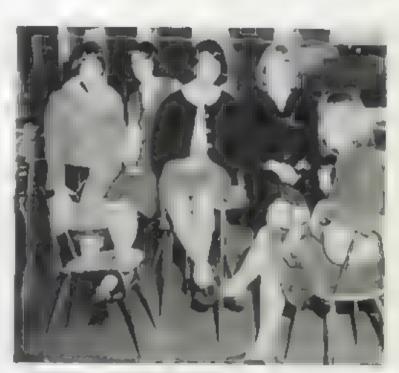

I hope one day all the people, no matter who they are or where they are from, will be very close friends like we are now. Also I would like to thank the American Field Service and especially you students who are supporting it at the High School

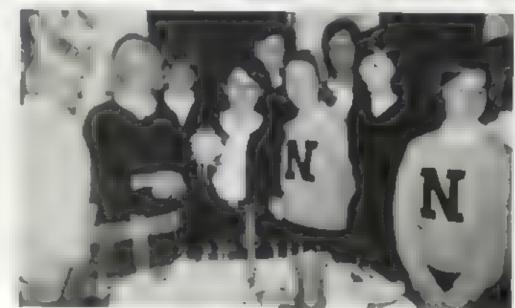

Love,

Leli

The Varsity Football Team had a very successful of season despite being plaqued with injuries toward the end of the season. The team compiled a 5-1-1 record which earned them the suburban council championship for the fourth time in seven years. The Niskas rambled over three suburban council foes before being tied by Bethlehem Central 77 They bounced back to defeat Colonie 33-7 and Mohonasen 7.6 to cinch the title. The only loss of the season was dealt by unbeaten Scot a, the arch rival, who knocked off the Niskayuna squad in the season finale Steve Schoonover sparked the offensive for the Warriors, his running, pass-receiving and kicking abilities earned him a berth on the Air-County team Sieve ta ed 89 points on twelve touchdowns, fourteen extra points, and one field goal-the second highest score in the county Bob C ff, Steve's running mate, was the most versal e bar player for the War riors. Besides being a strong running threat. Bob was the best blocker and tackle on the team. Don Pray quarterbacked the team and was instrumental in

Captains for 1964. Jeff Morray and Jim Anderson shared the fullback slot, both doing an outstanding job. The line was anchored by Rob Wall and Bob Levine, two bruising tackles, Larry Swank, Dave Lambert, and Frank Salamone provided a tandem of experienced guards Ross Fritschler manned the center position and was accamed by Coach Boothe as the "best Nisky center ever" Jack Faddegon, Steve Goodman, and Bob Costantino were the mainstays at end, Costantino working both on offense and defense Aram Atashian the defensive specialist, quarter backed the defensive unit from his I nebacker postion. The team suffered two early season casualties which proved very costly Jim Sheridan, a 250pounder, was lost in the Guilder and game because of a broken wrist Sheridan seemed to be a shoo in A. County prospect. Alan Levine a defensive demon, suffered a concussion and was forced to miss the last five games of the campaign

Not One Man;

## TEAM EFFORT

# School Spirit Plays An Important Role Too!

## Cross-Country

This year's cross-country team did a noteworthy job on the turf and asphalt around Schenectady. Under the direction of Coach Howley and led by its venerable captain Doug Wanty, the harriers picked up their first trophy in four years at the annual Cobleskill meet by taking first place. At the Sectionals in Central Park, the team pulled far enough in front of the rest of the stampede to claim second place. In a dual meet, Mohonasen was thoroughly whipped.

This year also saw the end of four distinguished years of cross-country winning for Doug Wanty. The other Varsity regulars Harvey Simmons, Tom Pfaffenbach, Dave Coons, Bob North, and Rick Graff backed up Doug's efforts. Unfortunately, Bob North, a top runner for the team, had to miss the last three meets because of a leg injury. Graff is a freshman who shows great promise for the years to come. Simmons and Pfaffenbach, too, will be valuable members next year

The Niskayuna soccer team started the season officially beating Mohanasen breaking the Mohans' 33 game streak. However the Council proved to be the toughest ever. The team's record 471 is no indication of its ability, for each game was a cosely fought out this er with several going into double overtime for a decision. Prospects for next year look good since several key ettermen will be returning for action. Coach Gifford looks to a fine upcoming season. He will be supported by recruits from the Council champion. J.V.s. coached by Mr. Dammer.

**Bowling** 

Little known among Niskayuna's varsity athletes is the bowling team. Manned by six stalwart individuals—Fred Cullen, Gary Stanco, Al Blitzblau, Torn Kaiser, Jeff Valginaitis, Bill Leader—it earned renown by winning only one match. Though lacking in skill, the team prides itself on spirit, sportsmanship, fair play, good manners, and a remarkable control of emotions.

School spirit is one of the most important factors in a successful sports season. A loyal student body and an exceptional cheerleading squad have contributed to greater crowd turnouts and cheering this year than ever before. #### IN APPRECIATION OF MISS EDITH STARRATT

Each of us at Niskayuna is indebted to our teachers for the superior jobs which they are performing. We want to take this opportunity to show our appreciation to Miss Edith Starratt, a wonderful person and a fine teacher. Those of us who have been fortunate enough to study under her realize her genuine concern both for our knowledge of history and for our ability to think independently. Miss Starratt has served not only as a classroom teacher but also as a Student Council faculty advisor. Her thoughtful advice guided us in the formation of Student Council policies. CROSSROADS thanks Miss Starratt for her outstanding contributions to Niskayuna High School.

Niskayuna High School, June, 1965. During the past ten months many changes have transformed the SCRIBE into what it is to-day. The biggest change was made in the actual format of the paper. This year the SCRIBE has come out twice as often—every two weeks instead of every four

Changes have also been made in the contents. Thanks to Larry Reagan, a regular cartoon strip featuring Joe Moone has added humor to the paper. Half a page has been devoted regularly to gossip from each of the four classes. There have been two sen jors honored in each issue as Senior Specials, and an amusing aports column by Gary

lowen added to the features. Several pictorial feature stories following the first, "The World of Football," have shown various aspects of life at Niskayuna

The SCRIBE editors tried distributing the papers during lunch periods, but after the first semester they returned to the method of homeroom distribution. The Christmas issue of SCRIBE featured color, another big first

The SCRIBE also entered the national Columbia Scholastic Press Contest for all school newspapers

During March, four delegates from the SCRIBE staff attended a convention at Co

Jumbia University to learn ways to Improve the paper

The SCRIBE established a permanent editorial board to determine the paper's policy. The following were members of the board Barbara Burgess, editor-in-chief; Carol Strong, assistant editor; Barbi Gibson, news editor; Sue Yates, business manager; Peter Pashler, advertising manager; Marilyn McCulloch, circulation manager; Joe Godlewski, Publicity manager; Kathy Boyd, exchange editor; Gary Lowen, boy's sports editor. With the help of advisors, Mr. Plouffe and Mrs. Lehmans, the staff has produced twenty fine issues of SCR BE

#### ALL ROADS LEAD TO LINA'S

There is a place where we all go when life becomes a bore, The welcome mat for us is set and open is the door. The place, of course, is Lina's and people everywhere know That when you need something to eat, Lina's is the place to go. There's gum, potato chips, soda and candy; or spaghetti in a can, And if you can not pay, just use the installment plan. For money to Lina is no object, she cares not what you spend To her it's more important that each customer is a friend. Lina is always cheerful to those who spirits are low; She's been that way since she opened her door-twenty-five years ago. Now she has a place in our lives; and a place also in our hearts. We will feel a certain emptiness if Lina ever departs, For there is no one quite like her: though you search high and low. You'll never find another Lina, no matter where you go. No matter where our lives take us. no matter where we roam: Someday we'll come back to Lina's our home away from home.

## Which one's for you?

CORTINA — the family size import with the Ford difference. Here's the new 4-door Cortina with the new 64 h.p. 4 cylinder rally-bred sports car type engine and fully synchronized 4-speed transmission. A most comfortable car for five people. Also 2-door.

ANGLIA — Ford's finest lower priced import from England. For those who want all good things in a small package. Comfort! Style! Fun! And economy that's hard to believe. Also available in a smart, capable station wagon.

# No matter which you pick-you get Fords finest from England

Cortina or Anglia — Ford's finest from England — take your choice and get unequalled value in the low price import field!

Cortina is ideal for the family of five with more comfort room and trunk room than any import in its class. Anglia, at a lower price, is just the ticket where economy is uppermost. A smart car that handles like a baby carriage. A perfect choice for a second car, too.

Let your English Ford Line dealer put you behind the wheel of the one that suits you best. Only then can you know how very much you get for so very little. All fittings U.S. size, of course.

Best of the imports because best of all each is a Front PRODUCT

When commencement is over, where do you go from there?

Not too many years ago, a high school education was sufficient for most jobs; college was almost a luxury except for those who planned careers in such fields as medicine and law.

Today, the pattern is entirely different. Advances in technology affect everyone in every business . . . and, frankly, a high school education is seldom enough to equip you to meet the challenge of the present . . . to help you get a job with a future.

What's the answer? More education . . . four-year colleges, junior colleges, community colleges, technical schools, extension courses, anything at all which will increase your knowledge, develop your personal skills.

There are jobs waiting . . . but these jobs call for knowledge and skill. Gen-

eral Electric is just one of the many companies which will have job openings in the years to come for those who can meet job requirements. There are new products, new technologies on today's drawing boards . . . with still others yet to be thought of . . . which will call for people with education, training and ability. The future needs not only men and women to come up with ideas, but also people to put those ideas into practice . . . designers and developers, scientists and salesmen, technicians and teachers . . . people with sufficient education to fill jobs.

Now it's up to you. You may choose the broad highway open to you through more education . . . or wander down the dead end street of lost opportunities. If you keep learning, you'll keep growing . . . growing with our nation in the age of space.
